Dear Friend,

We have all been touched by the ravages of the earthquake in Haiti and probably wanted to do something to help. For most of us, we aren't certain as to the most helpful and/or legitimate organization to send our donations. Let me recommend the ministry Double Harvest, which one of our TMCS Board Members (John van Wingerden) is associated with, and which was founded about thirty years ago by his father. It is an incredible ministry, as you would see if you visit their home page.

Click on the hyperlink [www.doubleharvest.org](http://www.doubleharvest.org) for the Double Harvest homepage where you can make a contribution online.

Rejoicing in Him,

Richard L. Mayhue  
Sr. Vice President and Dean
